Welcome!

Welcome to the Jobes Tech Gazette. Our newsletter offers you and your company insights into the latest information on technology solutions to improve efficiencies and enhance the bottom line.

Future issues will include topics chosen by Jobes Tech's experienced staff, clients, and feedback from people like you. We look forward to hearing about any interests you or your company may have on technology.

We don't have all the answers but we know that we have your answer. Jobes Tech is located in Holly, Michigan but reaches across the country. We can do this by leveraging our skills in technology and operating systems.

Besides technical support, we offer operational advancements, process improvements, cost-saving initiatives, and other cutting-edge solutions geared towards the evolving work environment.You can visit our website at Jobestech.com or send an email to info@jobestech.com

WE ARE JOBES TECH!!!!!

Rising Star Award

It is our pleasure to announce that Jobes Tech has been chosen to receive the "Rising Star Award" from this year's #Laserfiche Empower. Thank you to all our customers and employees who helped make this possible!

In 2017, Jobes Tech transformed from a high-profile Laserfiche consulting and implementation firm into a value-added reseller of Laserfiche technology. Since then, they have been able to secure prestigious customers in medical, financial, manufacturing, and education markets.

About our partnerships:
In order to provide competitive solutions, Jobes Technology Solutions partners with industry leaders in various technology categories. We are excited to offer expanded capability via these relationships. Combining Jobes Technology Solutions with our award-winning partners provides your organization with unparalleled solutions.

What's New?

Jobes Tech Support:
Jobes Tech is now offering self-service portals to ensure we provide relevant and agile experiences for our customers. Not only can our customers easily submit support tickets through our portal regarding active projects, but they can also track requests and resolutions they receive, enabling them to use it as a knowledge base.

You can start by submitting questions, enhancement requests, and bugs to support@jobestechsupport.zendesk.com

We appreciate your patience while adapting to new software. We look forward to continually improve processes that enable us to scale with our clients.

Present State Survey:
Not a client yet? Take our quick survey to evaluate your present state today!

Jobes Tech wants you to succeed! To help us get to know you to meet your expectations and needs successfully, take our quick survey below to help us identify your digital transformation's present state!

The survey should only take 3 minutes. If you have any questions about the survey, please email us: info@jobestech.com
